"TADA IN 2010"

Join TADA as we launch our "2010 Events Calendar Launch and Networking Event" Wednesday 17th February, 2010

TADA is a Western Australian based association dedicated to providing a forum for the interchange of ideas and knowledge among people involved or interested in the field of training and development.

Over the past couple of years TADA has been seeking ways to improve the professional development opportunities provided to its members and friends. Join us as we roll-out an exciting program for 2010. This is very much an informal event to welcome in the New Year, start your networking for 2010 on a positive note, and exchange ideas with fellow training professionals. The evening will commence with refreshments followed by the presentation of our 2010 events program. After the presentation you will have to opportunity to continue to meet more people as we network session. Don't forget your Business Cards!

This is a complimentary event for all and we would like to encourage all our members to attend and to also invite your colleagues and business associates who have an interest in Training and Development. All we ask is that you follow the registration process so that we can cater appropriately - Thank You!

On the night, potential new members will be able to take up our \$40 special membership fee for the first 6 months of 2010. This will take you up to our normal membership renewal date of July 1st. Let's continue to grow TADA and to enhance the knowledge, skills and reputation of the Training & Development community in WA.

MEMBERS & interested guests welcome
